Making Everyday a Great Day

Residential living, providing support and care for individuals with developmental disabilities.

About Great Day Residential

Our goal at Great Day Residential is to ensure all individuals receive the proper support and care so they can achieve their life goals.

We will help all individuals develop their independent skills both inside and outside of the home to maximize their quality of life. "Making Every Day A Great Day" is what we are all about. Every person deserves to live the best life they can and that is what we strive for each and every day. Great Day Residential is co-ed and we service adults 18 years of age and older.

Tony Watkins, President & CEO
Tony is the President and Chief Executive Officer of Great Day Residential. He holds a bachelor's degree from Virginia State University. He ensures that Great Day Residential will maintain the highest quality of service for those entrusted to their care.

Mission Statement

At Great Day Residential, our mission is to support the individuals that we serve and their families in reaching their maximum potential and help create opportunity, growth, and development.
